About me

There are many variations of passages of Lorem Ipsum available, but the majority have suffered alteration in some form, by injected humour, or randomised words which don't look even slightly believable. If you are going to use a passage of Lorem Ipsum, you need to be sure there isn't anything embarrassing hidden in the middle of text. All the Lorem Ipsum generators on the Internet tend to repeat predefined chunks as necessary, making this the first true generator on the Internet. It uses a dictionary of over 200 Latin words, combined with a handful of model sentence structures, to generate Lorem Ipsum which looks reasonable. The generated Lorem Ipsum is therefore always free from repetition, injected humour, or non-characteristic words etc.

About Me

I am Zaw Min Maung, Myanmar, currently studying full-stack web developing course. This is very first time and challenging, focusing on every concept and running to get done given projects in time. I love coding and coding.

I teach the Buddhist Psychology and Philosophy.

I work with United States Institute of Peace (USIP), The Network for Religious and Traditional Peacemakers, USIDHR, Myanmar Peace Center and NGOs.

I have founded school, college, and retreat center in Myanmar.
